Generators' consumption	600 lt/day
Interior design	Falcon
Exterior design	Stefano Righini

She is an elegant yacht with ample space and good performance. She has built by Falcon and is undergoing full refit in 2026. Her exterior styling has been designed by Stefano Righini and her interior's designed by Falcon. New fresh & light colours fabrics and linen has been renewed from her new owner. She can comfortable accommodate up to 12 guests in 5 cabins including a Master Cabin with king size bed, a VIP cabin with queen size bed, a Double cabin and two twin cabins each with one extra pull man berth, all with en- suite facilities.

Falcon Island has a spacious Saloon with relax atmosphere with 2 large couches including a social L shaped couch. The Stylish Dinning area is adjacent to the main salon where you can enjoy the chef 's delicious meals. She has generous exterior space with al fresco dinning possible both on the main aft deck and the upper sun deck. She has a large array of water sport toys on board to enjoy the stunning blue crystal waters! She is based in Athens for cruising in East Med and her powerful engine can cruise between 18 –20 knots, thus she gives the possibility to reach your destination quickly or instead lie at anchor in secluded bay or just relax and enjoy the first class service offered by professional crew of 6.

The company is not liable for validity of the information provided by the yacht-owner (images, specification of the yacht, list of equipment installed, its operability, engine hours, legal aspects). Actual engine hours are indicated at the moment of initial information placement and gets further periodically updated. Detailed information and characteristics will be provided on buyer's request and indicated in the contract.
